# Ideal® Self-Inking Stamps

## Rectangular Self-Inkers

### Think of all the repetitive writing you do...

Your company's name and address, paperwork routing, shipping messages, special notations, bank information, etc.

### Then think of all the time you'll save with cost effective self-inking and pre-inked stamps!

Just press your spring-loaded desk-top assistant into action. It does the job in an instant!

Unlike the old-fashioned rubber stamp and pad, you won't get messy hands or blotchy impressions.

- No separate stamp pad needed
- Fast, clean, easy to use and re-ink
- Thousands of high quality impressions without re-inking
- Full size visible label with your message
- Designed for professional quality marking
